Tele-Mate® Pro Telephone Test Sets

TM-700, TM-700T, TM-700i and TM-700UK

Easy to Use, DSL Compatible, Smart Telephone Test Set.

For the evolving world of telecommunications, Greenlee Communications is proud to introduce the NEW Tele-Mate® Pro TM-700 Telephone Test Set.

The TM-700 helps technicians install, service, and maintain voice services with ease. DSL compatible in both Monitor and Talk modes, the TM-700's LCD screen makes reading polarity, voltage, current, and ringing frequencies easier than ever, and clearly shows speed dials and recent numbers for faster access.

The TM-700 features over-voltage and over-current detection for safer operation and also features an intercom mode, a built in toner for pair tracing, and DTMF detection and measurement for enhanced productivity. Use the built in loudspeaker or with a headset (included) for easy hands free operation.

The Greenlee Communications TM-700 makes your job faster, safer, and easier.
