

Renewed Vision. Innovation Forward.

Dear Valued Customer:

Hopefully you have heard the exciting news: Greenlee Communications is now Tempo Communications! We will continue to empower technicians with high-quality, reliable and innovative products they can trust at a tremendous value. As independent tool and test equipment specialists we are now able to operate with increased flexibility to ensure that we are laser-focused on meeting our customers' evolving needs.

What you need to know:

With the new Tempo Communications, you receive the best of both worlds—the quality solutions you have come to expect from Greenlee Communications, combined with the more personalized service, support and innovative products that come from a focused, agile operation.
